

**APPLICATION
VESSEL HULL PAINTING**

The painting of a vessel's hull, decking or onboard structures where there may be the potential for rust / paint scrapings or spill paint to enter port waters is regarded as work and requires the issue of a Vessel Hull Painting Application from Port of Portland.

Vessel Name	
Berth	
Master / Agent	

THIS APPLICATION IS ISSUED SUBJECT TO THE FOLLOWING CONDITIONS

- A copy of the approved application is to be kept onboard the vessel. The Master or his delegate must produce this application upon request by an authorised officer of the Port of Portland.
- No painting is to be undertaken below the load line.
- Conditions of approval must be communicated to the crew carrying out the work and fulfilment of all OH&S requirements associated with this work onboard the vessel is the responsibility of the Master.
- All rust / paint scrapings must be contained and collected using adequate collection bins. This waste will be deemed quarantine waste so will therefore need to be disposed of accordingly.
- No paint or water used for cleaning purposes should enter the port waters.
- In the event of a spill Port of Portland is to be notified and adequate action taken to contain the spill immediately.

ACKNOWLEDGEMENT

I acknowledge that it is my responsibility to ensure that all persons engaged in this work, whether employed directly or on sub contract are suitably qualified and execute their duties in a safe manner in accordance with the requirements of this Application.
