

# SHIPPING AGENTS

Shipping agents represent charterers, shippers, receivers, or ship owners. Their main role is to liaise between their clients and the various entities that service vessels in port.

Portland is serviced by locally based agents, several Melbourne-based agents, and some interstate agencies.

## Local Agents

| Agency                                  | Address  | Contact Name                                   | Contact Details  |
|---|--|--|--|
